## Application of Water Services and Conditions of Water User's Agreement

I, \_\_\_\_\_, hereby make application to the Town of Trinity, Alabama, for water services located at and agree to abide by the following conditions of service:

1. The town shall install a complete water supply, storage and distribution system approved by the State of Alabama Department of Public Health and shall install a service connection with meter box, meter and cut-off valve for each individual service. Said meter box shall be installed by the Town within three (3) feet of the water user's property line upon the roadway right-of-way. The Town of shall have exclusive right to use the water meter and cut-off valve.

2. The water user shall install and maintain a service line connecting to the meter box and terminating at this residence or other point of use and any other equipment necessary to render his existing plumbing workable when connected to the public supply, at his own expense.

3. The user shall pay a minimum bill regardless, even if the minimum quota has not been used. A non-refundable service charge of \$50.00 will be required at the time of application for service and the charges begin from this date. There will be no prorating at any time.

4. The user shall pay for water at such rate, time and place as shall be determined by the Town, while providing the Town with an accurate and current address, and is therefore responsible for payment of all water charges.

5. The failure to pay by a water user duly imposed shall result in the automatic imposition of the following penalties:

a. Non-payment, after the 5PthP of each month, will be subject to a 10% penalty on the delinquent account and will be added automatically.

b. If payment is not received in the office by the 16PthP of the month, service will be discontinued and will not continue until full payment of the charges and the reconnection fee are paid. The reconnection charge, that has been set by the Town Council, is \$30.00 during working hours and \$100.00 for non-working hours. (Amended Res 22-17)

c. For all returned checks the fee allowable by law will be charged.

d. The town recommends the installation of a pressure regulator valve and to have an accessible water cut-off valve between the building water system and the town water system.

The Town reserves the right to amend the rules set forth above from time to time, and the water user agrees to abide by such changes.

In witness whereof, we have read and understand this agreement and received a copy of the Trinity Utilities Service Rules and Regulations, executed \_\_\_\_\_ of \_\_\_\_\_, 20\_\_\_\_\_.
